

Ararat Friends Meeting Centennial Events Schedule

We are looking forward to a series of activities and presentations throughout the year to celebrate our 100th Birthday. Foundational to our year-long celebration is a recognition of not only our Quaker heritage but also our Quaker future.

Additionally, we want everyone to consider the role and meaning of Ararat Friends in their life and be a present and active part in our celebration.

- In February and periodically throughout the year you will find a bulletin insert reminding us of our Christ-centered Quaker faith tradition.
- In March we connect our past to our present by updating the Ararat Recipe Book published nearly 50 years ago with the addition of delicious new recipes. Please give your recipes to Rachel Cain before February 26.
- In June we will hold a loving memorial service to honor all who have been a part of the Ararat family for the last 100 years.
- Our August Homecoming will feature David Hobson, Pastor, Rocky River Friends Meeting, as our guest speaker. David's father Claude was pastor here in the 1950s and David has many fond memories of those times. This will be topped off with an ol' timey picnic on the grounds.
- In October we take a look at our Quaker future as we hear from our featured speaker Liz Nicholson, Director of Quaker Leadership Scholars Program at Guilford College.
