To: Don Farlow, Superintendent, NC Yearly Meeting:

Dear Don,

After months and many hours of discussion and prayers, I am writing you to inform the Yearly Meeting that Ararat Friends Meeting has made the decision on our place with the North Carolina Society of Friends.

We approved at our special called meeting Sunday, January 22, 2017 to become part of the Autonomy Group [North Carolina Fellowship of Friends] within the North Carolina Yearly Meeting.

Thank you for all of your prayers, time and work you have put into the difficult task associated with the realignment of our yearly meeting.

Sincerely,

Eddie Reeves, Clerk
